

Greater Lansing Chapter

A Report to Our Membership
2017-2018

About AGA

The Association of Government Accountants is the member organization for government financial professionals working for

federal, state, and local governments, tribes, as well as academia and the private sector. AGA leads and encourages change that benefits our field and all citizens. Founded in 1950, AGA enjoys a long history as the thought leader for the government accountability profession. Through education, research, publications, and certification, AGA reaches thousands of professionals and offers thousands of hours of continuing professional education. Today AGA has over 100 chapters and over 12,000 members.

About Greater Lansing AGA

The Greater Lansing AGA Chapter conducted its first meeting on August 9, 1979. The chapter received its charter from the National AGA on

September 25, 1979. The Chapter began with 66 charter members. Today the chapter has 116 members, with 32 (27 percent) of its members holding the Certification of Government Financial Manager. The Chapter continues to provide low cost quality continuing education at its professional development trainings and monthly luncheon meetings for its members and others serving the government financial management community.
